

### Assembly

On the 30th of September at 10 o'clock on a Friday we dressed up like Celts. I wore a cloak and had a sword and axe. The classes from seniors to 4th class came to the assembly.

I really enjoyed this assembly!

### FRENCH

On Monday the 26th of September a kind lady named Lisa came to our school to do French with us. We learned French last year but not for a long time. We learned "leve-toi" which means stand up and we also learned "s'endormir" which means we sleep. We also learned "s'asseoir" means stand up. I really like Lisa. She is fun and loud and slightly dramatic. She is able to teach us to pronounce all of these amazing words. Last year we learned all of the months and many other fantastic words!

### ARTISTS

About 3 weeks ago we had two people come in to talk to our class. One of them was an artist named Redmond Herrity and the other a lady named Kelly. Redmond was the artist and Kelly was his friend. He showed us some of his work which was very cool. He said that he is making a statue for Ballyleague. We then got to draw sketches of how we would like the statue to look!

## Swimming

This year we were very lucky to get to go swimming. We went swimming in Roscommon Leisure Centre. First Class to Sixth went each Wednesday for 7 weeks. We practised our swimming each week and on the second last week we had a swimming test. On the final week we got to play with our friends in the pool. The swimming instructors were very kind and we really enjoyed it.

## Soccer

Eamonn Bolger comes in every Thursday and we have 1 hour. Third and Fourth class also have 1 hour. At the start we do drills like dribbling, passing and shooting. When we have warmed up enough we go into a match. We play the match for about 30 minutes and then thank Eamonn for his great lesson!

## The Hoodies

We have been working on our new sixth class jumpers. I cannot wait for them to come! They are blue and gold which is a great combination! We also got to put our signatures on the back. We cannot wait to get them! :)

## Music Generation

This year the other pupils and I are taking part in the Music Generation programme. We are taught how to play different instruments every year. Padraig is back again and is teaching us. We are currently learning piano and guitar. It is lots of fun and we get to learn new songs too.

## School Mass

On Thursday the 20th of October, 2022 Fr Daniel came to our school and did a wonderful Mass with us. Fifth and Sixth class did readings and some children sang songs. We had to set up the classroom and altar beforehand. Fr. Daniel is going to visit our school twice a month to talk to the classes making their First Holy Communion and Confirmation. Thank you Fr. Daniel for coming in.

## The Gaelic Football Blitz

In September the fourth, fifth and sixth class girls all went to a Gaelic football Blitz in St. Faithleach's Club. We walked to the club and we began our warm up stretches and running when we got there. We also took a few shots on Katie our goalie. We chose our positions and proudly wore our school jerseys! We didn't win but it didn't matter because we still had a good time.

## Student Council

This year a student council has been created. The Council will represent the Boys and Girls in the school. They will ask the children what they would like and they will talk about it at Council meetings. This year Cayden, Aidan, Emmie, Conor, Chloe, Jay, Jubal, Ria, Brian and Ben were appointed as members of the council. We cannot wait to have our say! :)

## New Pupils

This year we got some new pupils from Ukraine. There are three in fifth and sixth class. We have enjoyed having them as part of our class and we look forward to getting to know them better!

## Ms. Mc. Greevy

Ms. Mc Greevy has been coming into our classroom and helping us with our English. We have all really enjoyed this as she has played some fun spellings games with us. Thank you Ms. Mc Greevy.
